What do these results mean?

Congratulations! You achieved a passing score on this Microsoft Certified Professional (MCP) exam. Please note that although you passed, there might be exam sections in which you need development. The information shown above, if any, indicates your

relative results on sections of the exam. This information is provided to help you assess areas for further study. Exam preparation guides are available on the Microsoft Learning website: <http://microsoft.com/learning/>.

Please note that it can take up to seven business days for passing results to be displayed on your Microsoft transcript (<https://partnering.one.microsoft.com/mcp/>). If passing results have not been posted to your transcript after seven business days, please contact Pearson VUE by visiting <http://www.pearsonvue.com/contact/ms/>.

MCP Welcome Kit

Candidates eligible for an MCP Welcome Kit will receive an e-mail notification requiring verification of shipping information on the MCP Member Site before a Welcome Kit shipment will be sent. An e-mail notification will be automatically sent to the e-mail account you provided when you registered to take this exam. To activate your Welcome Kit shipment or to confirm shipment status, please visit the MCP Member Site at <https://partnering.one.microsoft.com/mcp/>.

Please retain this score report! The information contained in this report might be important for multiple uses in the MCP program, including receiving a Welcome Kit and accessing the MCP Member Site.

Pearson VUE's digital embossing process is available online at:

<http://www.pearsonvue.com/authenticate>. Digital embossing will allow you to verify that this score report is authentic. Digital embossing preserves the integrity of this testing program, maintains the value of your certification, and eliminates the possibility of unauthorized embossing of counterfeit score reports.
