What do these results mean?

Congratulations! You have passed this Microsoft Certification exam. The information shown above indicates your performance on each component of the exam. The components correlate to the origin exams that make up this upgrade exam. For a complete list of skills measured on each component of the exam, please review the exam preparation guide, available at: <http://microsoft.com/learning/mcpexams/default.aspx>.

To access your program benefits, including certification logos and welcome kits, visit the MCP site: <https://mcp.microsoft.com/mcp>.

When will I see my exam results?

Please note that it can take up to seven business days for passing results to be displayed on your Microsoft transcript. If you do not receive this e-mail within seven days, please contact a Regional Service Center (<http://www.microsoft.com/learning/support/default.aspx>) for assistance; you will need this score report for verification.
